Introducing your Judge

Mr Alan Hosie (Aliskye/Gillaber

I got my first Bearded back in 1985 namely, Arranbrae Black Label (Sophie). Sophie and her pups started the love affair with the breed but work commitments prevented me having time to travel to shows and it wasn't really until I got Arnie, Champion Ciopar Flash Fisichella in 2004 that I had the time to show in earnest and boy was I lucky to get such a treasure. Arnie quickly gained his title and won the CC at Crufts in 2010.

Following on from Arnie I've owned or co-owned 3 more UK Champions, Ch Gillaber Balnacara JW, Ch Gillaber Benachie JW and Ch Malandex French Xpectation for Gillaber. Currently, I'm showing Burnhock Superior Diamond for Gillaber, who has won 2 CC's to date.

Hopefully, this indicates that I have an eye for a "good" dog as all five encapsulate what I like most in a Bearded. They possess that seemingly effortless, fluid, low to the ground movement with good front extension and balanced rear drive and this is what I look for most when judging

Since resuming showing I've been judging for 15 plus years and during that time I've judged over 200 Beardies. I've judged both the UK Bearded Collie Club's and the Bearded Collie Club of Scotland's Open Shows and the North of England Bearded Collie Club's Championship Show (dogs).

I'm currently contracted to judge Beardies in the Czech Republic in June 2024. Also, I've been secretary of the Bearded Collie Club's, Scottish Branch, for over 10 years.

I should like to thank members for selecting me to judge their show and to say how much I'm looking forward to judging at the Bearded Collie Club of Scotland's Club's Championship Show.

13. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not to touch the ground when on the move. This is not acceptable. 15. All dogs resident outside the UK must be issued with a Kennel Club authority to compete number before entry to the show/event can be made. All overseas entries without an authority to compete number will be returned to the exhibitor/competitor.

- 16. DOGS IN VEHICLES ON HOT DAYS:** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help you through the do's and don'ts travelling to and whilst at KC licensed events:
- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.
 - Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
 - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.
- Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.**
- WARNING: IF YOUR DOG IS FOUND TO BE AT RISK, FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
- 17.** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club rules and regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by The Kennel Club. This shall apply at the venue or within the precincts of the show.
- 18.** Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
- 19.** No modifications will be made to this schedule except by permission of the Board of The Kennel Club, which will be followed by advertisement in the canine press wherever possible.
- 20.** All entries must be made before **10th September, 2024** upon forms issued for that purpose.
- 21.** The entrance fee of a dog entered and not exhibited will be forfeited.
- 22.** The Committee will not be responsible for any loss or damage to dogs or other property, whether or not caused by any act or omission of themselves or their agents.
- 23.** Should any judge be prevented from fulfilling their engagement, the Committee reserve to themselves the right of appointing other judges to fulfil their duties. Exhibitors are at liberty to withdraw from competition but no fees can be refunded.
- 24.** If in the opinion of the Show Secretary, Show Manager or Judge any dog is considered not in a fit state for exhibition owing to disease, savage disposition or any other cause, the dog may be excluded or removed from the show on the instruction of the Show Management. Once excluded or removed from the Show, the dog must not be brought into the Show at any time under any circumstances. If such exclusion takes place either before or after the dog is judged, the entrance fee will be forfeited.
- 25.** The exhibitor making an entry for this Show shall be deemed to have agreed to abide by the Kennel Club rules and regulations, and it is on this understanding only that entries are accepted.
- 26.** The owner, exhibitor, handler or other person in charge of a dog at a Kennel Club licensed event must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches. This regulation applies before (at any time during the set up period at the venue), during the event and afterwards (at any time during the breakdown of the event).
- 27. ANY OWNER, EXHIBITOR, HANDLER OR OTHER PERSON IN CHARGE OF A DOG IS REQUIRED TO REMOVE AS SOON AS POSSIBLE ANY FOULING CAUSED BY THEIR DOG(S) AT ANY KENNEL CLUB LICENSED VENUE AND WITHIN THE ENVIRONS OF THAT EVENT INCLUDING CAR AND CARAVAN PARKS AND APPROACHES**

REMINDER: Health and Safety:

A nominated Safety Officer will be in attendance throughout the show. The behaviour of a dog or dogs is the responsibility of the owner and not of the organisers or of the public liability insurers.

Exhibitors and spectators are reminded that just as The Bearded Collie Club of Scotland has a responsibility to ensure the health and safety of all those attending their event, all those present have a duty and responsibility for their own safety. They are therefore expected to take the greatest care to avoid guy ropes, uneven surfaces and other hazards which are inevitable and integral elements of a dog show.

Those bringing and using portable items of equipment such as folding chairs, trolleys, cages, gazebos and grooming tables also have a responsibility to ensure that their tools, equipment and furniture is used and erected safely and does not constitute a hazard to others.

Exhibitors are also reminded that they should wear appropriate clothing and footwear for the prevailing conditions on the site.

Exhibitors show at their own risk and if they consider conditions are not ideal or are unsafe they may withdraw their dog/s from classes.

PARENTS ARE RESPONSIBLE FOR THEIR CHILDREN AT ALL TIMES

SHOW ENTRIES AND BANK CHARGES

Exhibitors' attention is drawn to the Kennel Club announcement that any Bank Charges incurred by the Club through incorrectly completed or dishonoured cheques in respect of their entries will be passed on to the Exhibitor concerned. Failure to pay these charges will result in the exhibitor being dealt with by the Kennel Club Committee.

- ▶ **From the East** - from the East of England, it is easiest to get across to the M6...M74, and follow directions from the South.
- ▶ **From the Edinburgh area** - take the A702, then one of the following:

The Club subscribes to the Kennel Club General Code of Ethics:

Breeders/Owners:

1. Will properly house, feed, water and exercise all dogs under their care and arrange for appropriate veterinary attention if and when required.
2. Will agree without reservation that any veterinary surgeon performing an operation on any of their dogs which alters the natural conformation of the animal, or who carries out a caesarean section on a bitch, may report such operation to the Kennel Club.
3. Will agree that no healthy puppy will be culled. Puppies which may not conform to the Breed Standard should be placed in suitable homes.
4. Will abide by all aspects of the Animal Welfare Act.
5. Will not create demand for, nor supply, puppies that have been docked illegally.
6. Will agree not to breed from a dog or bitch which could be in any way harmful to the dog or to the breed.
7. Will not allow any of their dogs to roam at large or to cause a nuisance to neighbours or those carrying out official duties.
8. Will ensure that their dogs wear properly tagged collars and will be kept leashed or under effective control when away from home.
9. Will clean up after their dogs in public places or anywhere their dogs are being exhibited.
10. Will only sell dogs where there is a reasonable expectation of a happy and healthy life and will help with the re-homing of a dog if the initial circumstances change.
11. Will supply written details of all dietary requirements and give guidance concerning responsible ownership when placing dogs in a new home.
12. Will ensure that all relevant Kennel Club documents are provided to the new owner when selling or transferring a dog, and will agree, in writing, to forward any relevant documents at the earliest opportunity, if not immediately available.
13. Will not sell any dog to commercial dog wholesalers, retail pet dealers or directly or indirectly allow dogs to be given as a prize or donation in a competition of any kind. Will not sell by sale or auction Kennel Club registration certificates as stand alone items (not accompanying a dog).
14. Will not knowingly misrepresent the characteristics of the breed nor falsely advertise dogs nor mislead any person regarding the health or quality of a dog.

The following additional clauses also form part of the Club's Policy:

15. Before breeding a litter consideration should be given to type, temperament, health and soundness. Nervous or aggressive dogs should not be used for breeding.
16. No member who has an animal with an inherited defect classified by their veterinary surgeon should ever be used for breeding.
17. No bitch should be mated until she is **fully mature**; **2 years** should be considered the **minimum** age. No bitch should be required to have more than 4 litters, and no bitch should be mated on her first season after rearing a litter.
18. All breeding should be aimed at the improvement of the breed. Members should do all in their power to discourage breeding from clearly inferior specimens, and those members who own stud dogs should refuse stud service to such specimens.
19. No member should breed a litter unless they have the time and facilities to devote proper care and attention to the rearing of puppies and the well-being of the dam. No stud dog owner should provide stud service unless they are satisfied that the owner of the bitch has such time and facilities.
20. Anyone breeding a litter must have facilities and be **willing** to take back any of their stock for rehoming. No member should breed a litter unless they have the facilities and commitment to retain unsold stock.
21. No puppies should leave the breeder before the age of **seven weeks**.
22. Advertising by members should be **truthful**. No **exaggerated or untrue** statements should be made about the quality of parents or puppies.
23. No member shall allow their stud dog to produce more than 20 (twenty) litters at public stud.
