Introducing your Judge: Mrs Andrea Murray-Walker (Walkerbrae)

Beardies have been part of my life for as long as I can remember. My mum Shelagh's (Douglasdale) first beardedie was Corsecott Shona (Mountain Dew of Tambora x Westernisles Lochainneart) was born in 1973. Shona was bred from and we always had beardies bouncing around. I handled both in Junior Handling and also in the breed ring for my mum.

During the 1990's mum picked out a brown bitch puppy for me from a litter born near Edinburgh. That brown girl was my beautiful Briagha, Ch.Chanderly Moonlight Star of Walkerbrae. She gained her 1st CC under John McManus, her 2nd CC under Sue Carter and finally her 3rd CC making her a champion at the age of 11 and a half years under Bob Cross. She also won 2 RCC's.

I showed my Tegan (Bendale Eternal Flame of Walkerbrae) to her stud book number and bred from Tegan. When my mum bred from Briagha's daughter Tallah, I had a puppy from that litter, another brown bitch. This was Kiera (Douglasdale Dream Angel of Walkerbrae) who won 2 CC's under Bob Cross and Margaret McDonald Cross. Kiera also won a RCC.

Over the past 13 years I have been showing Briards. My black girl Maiya, now sadly departed, was very successful and won 1 CC and 7 RCC's, and also many Open Show wins including BIS's and BVIS's. Sulah is my only briard at the moment. She had a successful show career until she developed Thrombocytopenia and has made occasional appearances since.

I have been judging Bearded Collies for quite a few years now (including 2 breed club open shows). I have been passed by the Kennel Club to award CC's in both Bearded Collies and Briards.

DEFINITION OF CLASSES

 - * If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - * The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - * Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - * When at the show, never leave your dog in the vehicle.
 - * Keep the dog in the shade – take your own shade, for example a large umbrella, and always have plenty of water to drink so your dog stays well hydrated.
 - * Avoid your dog taking part in unnecessary exertion, or standing in exposed sunlight for extended lengths of time.

(continued)

Remember, if you feel hot, your dog is very likely to feel much hotter and dehydrated, which could lead to dire results. Please look after your dog's welfare.

The following additional clauses also form part of the Club's Policy:

15. Before breeding a litter consideration should be given to type, temperament, health and soundness. Nervous or aggressive dogs should not be used for breeding.
16. No member who has an animal with an inherited defect classified by their veterinary surgeon should ever be used for breeding.
17. No bitch should be mated until she is **fully mature**; **2 years** should be considered the **minimum** age. No bitch should be required to have more than 4 litters, and no bitch should be mated on her first season after rearing a litter.
18. All breeding should be aimed at the improvement of the breed. Members should do all in their power to discourage breeding from clearly inferior specimens, and those members who own stud dogs should refuse stud service to such specimens.

20. Anyone breeding a litter must have facilities and be **willing** to take back any of their stock for rehoming. No member should breed a litter unless they have the facilities and commitment to retain unsold stock.
21. No puppies should leave the breeder before the age of **seven weeks**.
22. Advertising by members should be **truthful**. No **exaggerated or untrue** statements should be made about the quality of parents or puppies.
